All American boy with big dreams of glamour life  
Bright lights and boogie nights  
The hype is "Everything could be yours if the price is right"  
Grab your nothing and hold it tight  
The first chance you get your heading out to the West  
This decision is one you won't regret  
Move to the place where everybody knows ya  
Like Hollywood, Los Angeles, California

chorus:

So you wanna be a Superstar  
Welcome to Hollywood  
Quick money, fly women, fast cars  
Welcome to Hollywood  
So you wanna be a Superstar  
Welcome to Hollywood  
High times, big dreams, living large  
Welcome to Hollywood

One way ticket, then you'll live this  
Life of a Superstar caught up in this business  
God as my witness, you will never change  
Only been here a day, already in the game  
You changed your name
