The deeper and deeper I fall, deeper and deeper I  
seek,  
Deeper and deeper I try and deeper and deeper I need

Forgive Me  
4x

And all I see is Your face  
2x

The deeper and deeper i fall, deeper and deeper I  
seek  
Deeper and deeper I try, the deeper and deeper I need  
The deeper and deeper I fail, deeper and deeper I  
read  
Deeper and deeper I cry, the deeper and deeper I feed

Caught up in this game of life, me against you  
Not doing what I should, just the things that I want to  
So wrapped up, terrified of what I become  
Outside I'm laughing, inside I'm numb  
I can't see the light because it blinds me  
Try to forget but my past always remindns me  
Exposed, looked on by eyes of grace  
I'm so ashamed, Don't look at my face

All I see is your face  
4x

Get up by your strength, I rise up to thee  
But I'll stay on my face if you will of me  
Shape and Mold me til your though  
Humble myself, life laid down before you  
I need your wisdom, so the truth I keep on living  
And your love will always be a part of me  
Can't do a thing, if I ain't living for the kind  
So don't ever leave or take your eyes off me

It's not who you are It's who you're living for

Trials and tribulations will come
