I wonder how clear it must look from there to here
No obstruction, this selfish corruption
All in this atmosphere

No fear, less tears, only time to catch my breath
I fail to inhale
Your love constricts my chest

Confusion blinded me, mental and physically
And it's because of you that now I can see
So now can I run? I follow the Son and ride on to Zion
And dance this last song of freedom

But only time will tell, if it's truly for real
Can't change your mind, all I know this is what I feel
Whether I'm wrong or right, please keep my life in
sight
And never take your eyes off me

chorus:
As I look up to the sky today
Well I can see you looking down on me
It brings a smile to my face again
Satellite

It's truly one of a kind, like star shine, beyond night
time, are you there
My eyes stare to find, just what's behind this blind
notion of mine, is it genuine
Cause sometimes, it plays tricks with my mind, some
call it asinine

But it's like love or hate, now is that real or fake?
Cause it's a real thin line, but that's your choice to
make
The question at hand, help me understand, is this your
plan?
I think I can, can I think, then I think I can

Because I won't break (nah), and I won't shake (nah)
With lifted hands to this Man (Jah), I'll stand in faith
I'll make it through, my trust in you

Close my eyes, make a wish, kiss the sky

Hey thereÂ...I see you
