Reveal to me the mysteries  
Can you tell me what it means  
Explain the motions and metaphors  
Unlock these secrets in me  
Describe the vision, the meaning is missing  
Won't anybody listen  
Define the riddles of my mind  
Nothing is really what it seems

[Chorus]:

Dreaming of Zion, awake  
Sleeping awake  
Dreaming of Zion, awake  
Can't stop sleeping awake  
Do you see what I see  
Can you hear what I hear  
Do you feel what I feel  
Can't stop sleeping awake

Can you see it, the writing  
Can you tell me what it means  
Translate the symbols, enigma  
Won't anybody listen  
Prophecy, interpret the signs  
Nothing is really what it seems

[Bridge]:

Do you see what I see  
Can you hear what I hear  
Do you see what I see  
Can you hear what I hear  
Do you feel like I feel  
Can you dream like I dream...

(Chorus)
