Visit "[The Reasons](#)" on MotoLyrics.com

It's just the way it goes, and everybody does,
And nobody said I can't, and this is how I feel
And I just wanted to, I really thought I could

Because The Reasons why, Why do we do the things we
do?
Because, I try to make you see these things the way I
do

It is what it is, and that's too bad for you
I don't even care, Why can I why not
And I do what I want, and this cause I said so

Because The Reasons why, Why do we do the things we
do?
Because, I try to make you see these things the way I
do

Because The Reasons why, Why do we do the things we
do?
Because The Reasons, The Reasons, Cause The
Reasons

Because The Reasons why, Why do we do the things we
do?
Because, I try to make you see these things the way I
do

Because The Reasons why, Why do we do the things we
do?
Because The Reasons, Because The Reasons, I try to
reason
