There'll be no strings to bind your hands, not if my love
can't bind your heart
And there's no need to take a stand for it was I who
chose to start
I see no need to take me home, I'm old enough to face
the dawn
Just call me angel of the morning angel
Just touch my cheek before you leave me baby
Just call me angel of the morning angel
Then slowly turn away from me

Maybe the sun's light will be dim and it won't matter
anyhow
If morning's echo says we've sinned, well, it was what I
wanted now
And if we're the victims of the night, I won't be blinded
by light
Just call me angel of the morning angel
Just touch my cheek before you leave me baby
Just call me angel of the morning angel
Then slowly turn away
I won't beg you to stay with me

Through the tears of the day of the years baby, baby,
baby
Just call me angel of the morning angel
Just touch my cheek before you leave me baby (Trust
we baby?)
Just call me angel of the morning angel (Angel of the
morning)
Just touch my cheek before you leave me (Trust we
baby?)
(Just call me) Just call me angel of the morning angel
(Angel of the morning)
Just touch my cheek before you leave me (Trust we
baby?)
(Baby, baby, baby, baby, baby)
