I dont care what you think about me  
the tvs on so i dont have to worry  
and im not alone on that feeling  
so i wont feel bad saying so this time

i lock my door and go out with no money  
right now im leaning on my only  
and shell have it no other way  
and i dont know what to say  
but im not far behind

stare at the sun  
baby  
its the sun  
im gonna wait here  
stare at the sun  
baby  
its the sun  
im gonna wait all night  
just to fall in line  
knowing that nothings gonna change

im not gonna say that im always right  
im not gonna say that its even half of the time  
but you say oh no, no, no, no, no  
and i say yeah, yeah, yeah, yeah, yeah  
baby its all in your mind

stare at the sun  
baby  
its the sun  
im gonna wait here  
stare at the sun  
baby  
its the sun  
im gonna wait all night  
just to fall in line  
knowing that nothings gonna change
