Muchos años han pasado  
So many days them pass but there nuttin ever change  
no  
Muchos planes se han tratado  
So many plans have been made up to break out your  
control  
Miles promesas del estado  
So many promises an lies dat will never ever come true  
Pero no hay nada que haya cambiado  
Wi haffi stand up tall an unite our people

Mi mission es presentar mi tierra y su bandera  
Luchar por mis derechos como Nelson Mandela  
Quiero justicia y libertad  
Nada mas que la verdad  
Para acabar con la Guerra y rescatar la humanidad  
Poder unir latinoamerica entera quisiera  
Poder sentir y ver la union verdadera quisiera  
Y que el mundo tuviera una sola bandera eso quisiera  
Que ser humano no fuera una fiera

Muchos años han pasado  
So many days them pass but there nuttin ever change

Muchos planes se han tratado  
So many plans have been made up to break out your

Miles promesas del estado  
So many promises an lies dat will never ever come true  
Pero no hay nada que haya cambiado
