No estoy contento por eso es que te enfrento
Asi me vea bien no es lo que aparento
No fui atento lo se y lo lamento
No es un argumento es amor lo que yo soy tu

Abrigo mi carino
Tu cobija cada vez que tengas frio
Tu testigo te necesito nena
Dejame ser mas que tu amigo

Refrain

Como el viento
I like to carry you with all my strength, child
yo me siento increíble cuando estas conmigo
Como el viento
I'm going to carry you with all my strength now
yo me siento increíble cuando estas conmigo

Pa'lante, pa'lante
We gonna take our love to the top now
From Monday to Sunday we kissing,
hugging, and loving until the sun breaks

Pa'lante, pa'lante
We gonna take our love to the top now
from Monday to Sunday we kissing,
hugging, and loving until the sun breaks

Quiero quitarme las cadenas
y volar con el viento
Liberar mis pensamientos y cantar lo que siento
Mami yo te deseo como un leon hambriento
So no te tengo a mi lado
Me mata el aburrimiento

I wanna be there, be there for you

Baby boo, yo quiero a alguien como tu
I'm always gonna be there, be there for you
Por ti yo dejo todo atras hasta
mi crew

Now me no care about them
No give a damn about them
Me no afraid fi show the whole of them
You're more than a friend

I'll be there till the end would share and spend
Everything that I got to see you marching again
I'll stick to your heart 'cause back from the start
I've been there so I won't forget what you got
I'll take you abroad, never fake my regards
'Cause nothing on earth could break my love

Refrain (2X)

Oh, I'm always gonna be where you want
Oh, so when you need someone
I'll be there, I'll be there
Oh, I never leave you alone
Oh, I can make you feel at home
Oh, just let me be the one to be there
and I'll be there

Refrain (2X)

Pa'lante, pa'lante
We gonna take our love to the top now
From Monday to Sunday we kissing,
hugging, and loving until the sun breaks

Pa'lante, pa'lante
We gonna take our love to the top now
from Monday to Sunday we kissing,
hugging, and loving until the sun breaks

Vientoâ€¦I like to carry you now
I like to carry you now
Increibleâ€¦Vientoâ€¦Siento
