This is a warning to every nation now
We got we come as one cause we need some more
love
Hear me come come calling to all di youth dem now
Whether east unite whether west unite
All together right now

La pobreza te rompe la cabeza
Es otra forma de vida muy dificil sin salida muchos lo
intentan de cualquier
Manera
Pero caen antes de llegar a la frontera
Otros pasan pierden la paciencia
Se vuelven criminals y utilizan la violencia
La pobreza nos rompe la cabeza
Nos muestra otos caminos que influyen los destinos
So much poverty in a rich country
Upper class sell dem love fi di industry
People getting blinded by fake reality
They earn money but dem lose humanity
It's all about insanity what I see inna tv
Day by day people run crazy
It's a family that di people really need
Just more unity
So much poverty j.straight tell we
So me gwaana share di flow no rearea
Unity that's what we need right there
Peace and love now fi everybody
Poverty fi get dust and away
Tax fi di rich fi di poor country
Industry then dem rich dem fi pay
Dust a worldwide poverty

This is a warning to every nation now
We got we come as one cause we need some more
love
Hear me come come calling to all di youth dem now
Whether east unite whether west unite
All together right now

Do re mi fa so hoo hoo
You betta mira at your backdoor

It's l-a-r-s-l-t-o
Ya tu tienes tu despido
No te pongas nervioso come tu coco
Y goza mi flow flow
Estilo progresivo con carino uptempo
En alemania nos hemos encontrado con inspiracion
Culcha Candela se ha formado
Con la bendicion cion cion avanzado
Nadie nos detiene union nos mantiene
Importante es lo que dios decia hay mado
