Wannabe
Oh
Millionaire
Fuck!
I've got something exploding inside of my head
I will try to forget everything that you said

Royalty
Oh
Counterfeit
Whore
I will try to forget everything that you said
I've got something exploding inside of my head

Alive
Alive, or dead
Alive

Company
Oh
Wait for it
Oh
I've got all that I wanted in life
Got something you cannot buy
I've got all that I wanted in life
I just need a break I just need a break

I've got something exploding inside of my head
I will try to forget everything that you said

Alive
Alive, or dead
Alive
Alive, or dead

I got something exploding inside of my head
I got something exploding inside of my head

I just need a break
I just need a break
I just need a break

I just need a break

Oh

Oh

Alive

Alive, or dead

Alive

Alive, or dead

Lest we forget

It's now or never

Will burn again

Will burn forever

Will burn forever
