Been searching, some time
Don't know just what I want to find,
The answer is there,
If only I dare, look behind
They ask you for your name
Then they ask 'What is your game?'
If you don't reply,
No-one will cry, 'I'm the same'
Im gonna keep you in the dark,
Im gonna keep you in the dark,
Im gonna keep you in the dark,
About future refinements
One day you think you know it all,
Next you wake up with a fall,
Just be warned,
That you've been scorned, so tall
Im gonna keep you in the dark,
Im gonna keep you in the dark,
Im gonna keep you in the dark,
About future refinements
Im gonna keep you in the dark,
Im gonna keep you in the dark,
Im gonna keep you in the dark,
About future refinements
Im gonna keep you in the dark,
Im gonna light up your heart,
We can even feed the ducks in the park,
As long as we are never apart,
In mind or in the dark.
