I was in a public toilet trying to take a
Quick pee
This man standing next to me said
"I've seen you on TV,
Can you please sign
This paper for my daughter Rosie
And smile while I
Take a picture?"
A paparazzi man tried to make me understand
"this is how I make a living, I'm not even your fan"
After chasing me through town with a camera in each
hand
Tonight you'll be in
The paper
I feel like if I'm
In a movie
I feel like if I'm
In a movie
If you sell a million records you're
A celebrity
And get invited to all the parties of the VIP's
It's like swimming in a pool with sharks of
The M-industry
Oh gosh what have
I gotten into
There's a negative and positive side to money and
fame
And I'd be lieing if
I told you I haven't changed, I'm the same
Yet the irony remains you can't get used to it or tamed
So smile when they take your picture
I feel like if
I'm in a movie
I feel like if
I'm in a movie
Yeah,yeah, yeah
I'm in a movie
Yeah,yeah, yeah
I'm in a movie
Yeah, yeah, I'm in a
Well I got a couple awards in my studio
Back home

My manager and agent constantly on the phone
But what's the sense of all this if I wake
Up alone?
"you got the leading part in this big picture"
I feel like if I'm
In a movie
I feel like if I'm
In a movie
I feel like if I'm
In a movie
I feel like if I'm
In a movie
Yeah, yeah, yeah I'm
In a movie
Yeah, yeah, yeah
I'm in a movie,
Movie, movie
Yeah, yeah, yeah I'm in a movie, I'm in a
