Such a beautiful site  
Entered into my life  
My interest conquered the fright  
To meet the Mother of all light  
My pounding heart rose in speed  
When She planted a seed  
In the deepest essence of me  
It was the day my spirit was freed  
Oh I'm thanking  
Blessed Mary  
For light Divine  
Thanking Blessed Mary  
For light Divine  
Thanking Blessed Mary  
For light  
Temptation messed  
Me around  
She picked me up  
From the ground  
And taught me to never let go  
Of your God given soul  
But sometimes I still lose my mind  
When life is cruel and unkind  
But it's when I suffer that I learn  
In a repenting heart love will burn  
Oh I'm thanking Blessed Mary  
For light Divine  
Thanking Blessed Mary  
For light Divine  
Thanking Blessed Mary  
For light  
Oh my faith has been renewed  
She guides me to  
Eternal life  
And to the truth oh oh oh oh oh  
Yes my faith has been renewed  
Oh I'm thanking  
Blessed Mary...  
And now I've met Jesus Her Son  
With the Holy Spirit  
I've begun  
A pilgrimage to heaven above

To our Father's kingdom of love  
Ave, ave, ave Maria  
Gracia plena, gracia plena  
Ou sleep
