### "Bring It Back"

Visit "[Bring It Back](#)" on [MotoLyrics.com](https://MotoLyrics.com)

We live today  
Bring back all the good times  
Lead me to the place where I belong  
It's here to stay  
Can you see the good times  
Discover me  
I know it makes me strong

One, two, three, get it

Bring back the good times  
Bring back the good feeling  
Bring back the happiness  
And we bring it back

We live today  
Bring back all the good times  
Lead me to the place where I belong  
It's here to stay  
Can you see the good times  
Discover me  
I know it makes me strong  
(Bring it back back back back..)

One, two, three, get it
