Listen, my new friend, please And have a sympathetic tender ear I was born in this junkyard And it was the prettiest little thing to me HereÂ's the part in the song Where you think of me all wrong And hereÂ's the part where I choose That I got nothing left to lose cause...

Any pain that you could bring to me is nothing comparatively And IÂ've been so lost and found, I canÂ't smile, I canÂ't frown Happy song, nothingÂ's wrong, itÂ's all fun, am I done?

How much can one man stand? Before he kisses a cold dead street? This cross bears a billion lost souls Three times do I fall to my bloody bare feet? Think again my lovely friend DonÂ't ask for more you dirty whore

HereÂ's a part in the song where you tell me you donÂ't care I made you in my head and you donÂ't even care, you donÂ't care Happy song, nothingÂ's wrong, itÂ's all fun and lÂ'm all done But now lÂ'm done, this is fun, now lÂ'm done
