Too long the people's hidden in the darkness (Oh milord!)

Now is the time, now is the time,
that we all should see the light.
civilisation begins here.

Now, it's been too long.
Too long, too long in slavery.
Free us god.
Now, it's been too long.
Too long, too long in slavery.

But we were brought here,
to do a very necessary job (job job job)
Now that the work is over, we want to know when we will
be returned.
That's what we ask.

They stole us, away from africa.
Could not let you buy.
Not at our will
but stole us away on these three ships.
Do you want to hear what's their names?
But they are races, Jesus,
Races, Jesus, of god.

This is my way of loving, and that is the destruction of
poor black people.
Too much of that.

Now, it's been too long.
Too long, too long in slavery.
black man get up, stand up blackfoot
Now, it's been too long.
Too long, too long in the slavery.

Why, milord? (3x)
My mother suffer, my father suffer.
My brother die in penitentiary, under solitary
confinement.

Why milord? (oh lord oh lord)
All the international morality is at stake.
Why milord?

Now that the work is over, we want to know when we will
be the returned.
couldn't believe you see, they stole us away on these
three ships.

Now, it's been too long.
Too long, too long in slavery.
Free the people and let them move in liberty
Now, it's been too long.
Too long, too long in slavery.

So the struggle continue..
But while the struggle continue, I'm going to tell you

We rastaman will set the world free
