[Music & lyrics by D. Gildenlow]

Walk with me  
And see the world I see  
It is our home  
It's where we all belong

Life is flair  
A brittle dress we wear  
A fleeting sigh

But though pointless it may seem:  
Live as death were but a dream

You don't have to walk their way  
You don't have to watch the show  
You don't have to play their game  
And you don't have to die to leave entropia

[Hermansson]

All remains:  
Forgotten smiles in frames  
Two fleeting lives cut down to pocket-size

Walk with me  
And change the world we see  
We'll cease to be  
Just people passing by  
Home is where we all get by

You don't have to cry for more  
You don't have to have it all  
You don't have to win a war  
If death is but a dream  
Then don't let me...

...fall asleep
