Day after day, nothing's changed you're far away
But I want you to know I can't sleep anymore
By the nights
Night after night the stars are shining so bright
Though my pain is larger than Universe tonight

Want you to know I can't sleep anymore
By the nights, by the nights
Day after day I want you to say
That you're mine, you are mine

Year after year, oh, tear after tear
It feels like my heart will break in two
You came like a wind, I couldn't defend
You cut my heart so deeply the scars won't mend
I'll never believe in love anymore, after this, after this
Can never change or re-arrange what we lost, what we
lost

[F. Hermansson]

Time after time I am wasting my time
Living in a past where I was strong
But now I am gone, I leave no shadow when I'm alone
I'll stay forever in my dreams where you are near

Want you to know I can't sleep anymore
By the nights, by the nights
Day after day I want you to say
That you're mine, you are mine
Want you to know I can't sleep anymore
By the nights, by the nights
Day after day I want you to say
That you're mine, you are mine

Who will be there now? When I lose my one true love?
(When I lose my love)
I am falling now - Darkness below and above

There is nothing you can do to help now
I am lost within myself as so many times before

There's nothing you can do to ease my pain
I am so, so sorry but if you love me you must let go

Two young souls in the dance of a chain sling
Love once born from the ink of Solitude
Bidding to dance in the swing of a rope end
Walking their Remedy Lane through this interlude of
pain

Who will be there now? When I lose my one true love?
(I am falling now)
Have I lost myself? To love someone else...

Please let me be yours please never leave
Please stay here close to me
All love we shared where is it now?
Please let me be better than I was
Please don't give up on us
The thought of leaving you...

...I DO NOT KNOW HOW
