[Music & lyrics by D. Gildenlow]

Please let me be yours please never leave  
Please stay here close to me  
All love we shared where is it now?

Please let me be better than I was  
Please don't give up on us  
The thought of leaving you - I do not know how

I can feel the pain you have inside  
I see it in your eyes  
Those eyes that used to shine for me

I can feel the wildness in your heart  
That's tearing us apart  
My love how can I help if you don't want me

There is nothing you can do to help now  
I am lost within myself as so many times before  
There's nothing you can do to ease my pain  
I am so, so sorry but if you love me you must let go

Two young souls in the dance of a chain sling  
Love once born from the ink of Solitude  
Bidding to dance in the swing of a rope end  
Walking their Remedy Lane through this  
...interlude of pain

Who will be there now? When I lose my one true love?  
(When I lose my love)  
I am falling now - Darkness below and above

There is nothing you can do to help now  
I am lost within myself as so many times before  
There's nothing you can do to ease my pain  
I am so, so sorry but if you love me you must let go

Two young souls in the dance of a chain sling  
Love once born from the ink of Solitude  
Bidding to dance in the swing of a rope end

Walking their Remedy Lane through this interlude of  
pain

Who will be there now? When I lose my one true love?  
(I am falling now)  
Have I lost myself? To love someone else...

Please let me be yours please never leave  
Please stay here close to me  
All love we shared where is it now?  
Please let me be better than I was  
Please don't give up on us  
The thought of leaving you...
