Ignore history.

A charm school success story.

Top of the class in Slash & Burn Diplomacy.

Setting phasers to stun is no fun. So says the

Syllabus for Blitzkrieg 101.

So Johnny get your gun.

You singed your wings, flew too close to the

Sun. Too bad you never learned to turn tail

And run. That's where we'll come undone.

There's a thousand broken hearts on the home

Front, baby. That you're too nearsighted to

See. That's why you're falling off the charts

On the home front, baby. The mathematics of

Complicity.

We are falling apart.

That's as honest as I know how to be.
