I see a Red door and I want it painted black
No colours anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes

I see a line of cars and they're all painted black
with flowers and my love, both never to come back
I see people turn their and quickly look away
Like a new born baby, it just happens everyday

I look inside myself and see my heart is black
I see my red door and it has been painted black
Maybe then I'll fade away and not have to face the
facts
It's not easy facing up, when your whole world is black

No more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh with me before the morning comes

I see a red door and I want it painted black
No colours anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes

Hmm, Hmm, Hmm

I want to see it painted, painted black
Black as night, Black as coal
I want to see the sun, blotted out from the sky
I want to see it painted, painted, painted, painted black
Yeah

Hmm, Hmm, Hmm
