There's something funny going around  
It moves from heart to heart  
One day you're up and the next upside down  
And that's the easy part

It's not sentimental, nobel or brave  
It's foolish and unfair  
But it's fundamental, the one thing you crave  
Fire, water, air

You're so in love,  
You could do some crazy stuff  
You're so in lost,  
That too much just ain't enough

You're so insane,  
That they might lock you up  
But hey you're in luck,  
Coz' it's mad, mad love

You wanna answer, you need a cure  
The whole thing's so intense  
Tho' there's no answer, nothing is sure  
It all makes perfect sense

You're so in love,  
You could do some crazy stuff  
You're so in lost,  
That too much just ain't enough

You're so insane,  
That they might lock you up  
But hey you're in luck,  
Coz' it's mad, mad love

You're so in love,  
You could do some crazy stuff  
You're so in lost,  
That too much just ain't enough

You're so insane,  
That they might lock you up

But hey you're in luck,  
Coz' it's mad, mad love

You're so in love,  
You could do some crazy stuff  
You're so in lost,  
That too much just ain't enough

You're so insane,  
That they might lock you up  
But hey you're in luck,  
Coz' it's mad, mad love
