When you dance that way  
When you dance that way  
I feel the rhythm in my soul.  
When your body sways  
When your body sways so close to me  
I lose control.  
When you do what you do to me  
I don't know if it's right or wrong.  
When you do what you do to me  
I don't know what is going on.

Day or night? Yo no sé,  
Wrong or right? Yo no sé,  
I can't tell Yo no sé,  
When I'm in your spell Yo no sé,

Is it ecstasy?  
Is it ecstasy that makes me  
Go out of my mind?  
When you do what you do to me  
I don't know if it's right or wrong.  
When you do what you do to me  
I don't know what is going on.

Day or night? Yo no sé,  
Wrong or right? Yo no sé,  
I can't tell Yo no sé,  
When I'm in your spell Yo no sé,
