I love the glamorous jungle  
I need the glamorous jungle  
Something you know isn't good  
Something you do to prove  
That we are not strangers

I want my part of happiness  
I need my part of happiness  
Better the world take care  
Cause I will go to hell  
To get my part of happiness

You've gotta lose you've gotta cry you've gotta change  
you've gotta lie  
You've gotta born you've gotta try you've gotta kill or  
let you die

Baby don't call me baby  
Baby don't call me friend  
Baby don't call me anyway  
Baby I think there's no return

Baby don't call me dear  
Baby don't call me beloved  
Baby don't call me baby  
Cause I'm a monster, I'm a killer, I'm your worst enemy

I don't care how it should be  
I don't care if ya're approach to me  
And when the rain falls down  
I know that it's the time  
And I will catch my little part.

I really don't wanna hurt ya  
But if I need to hurt ya (laugh)  
None could ever stop  
A human with purpose  
Abort of the nature

You've gotta lose you've gotta cry you've gotta change  
you've gotta lie  
You've gotta born you've gotta try you've gotta kill or

let you die

Baby don't call me baby  
Baby don't call me friend  
Baby don't call me anyway  
Baby I think there's no return

Baby don't call me darling  
Baby don't call me lover  
Baby don't call me baby  
Cause I'm a monster, I'm a killer, I'm your worst enemy

I wanna be wanna be remember I wanna be wanna be  
remember  
I wanna be wanna be remember I wanna be wanna be  
remember  
I wanna be wanna be remember I wanna be wanna be  
remember

I only exists if you know me, perceived me, if you  
remember me  
Our existence depends... on the existence of another

I wanna be I wanna be  
I wanna be wanna be remember I wanna be wanna be  
remember  
More conciens I eat wanna be remember  
More ways I exist wanna be remember

Baby don't call me baby  
Baby don't call me friend  
Baby don't call me anyway  
Baby I think there's no return

Baby don't call me dear  
Baby don't call me beloved  
Baby don't call me baby  
Cause I'm a monster, I'm a killer, I'm the worst entrophy
