I'm not sensationalist  
I'm not fundamentalist  
Either a bit neurotic  
I'm really flying the flying

I'm not too under your feet  
Although I slept on the streets  
I just can't save me from me  
I'm a fanatic, fanatic

They educated me like this  
And it's very sad to see  
That we are not family now  
And I am burning in desire  
And god created police  
In his image and likeness  
The sir acts in very strange ways  
I have to hide me in the lightness

You see me now?

I'm not sensationalist  
I'm not fundamentalist  
Either a bit neurotic  
I'm really flying the flying

I'm not too under your feet  
Although I slept on the streets  
I just can't save me from me  
I'm a fanatic, fanatic

War is the enemy  
And children died  
Because of this fuckin rulers  
Human is not enough

They made me cry  
I'm just a guy  
Looking for paradise  
In this fucking unfair land

I have dreams

I have lights  
I have moon  
I have sun  
I have days  
I have faith  
I have mother  
I have love  
I have feelings  
I have a whole world  
Waiting for me to show  
That I'm the one

I'm not sensationalist  
I'm not fundamentalist  
Either a bit neurotic  
I'm really flying the flying

I'm not too under your feet  
Although I slept on the streets  
I just can't save me from me  
I'm a fanatic, fanatic

They wait for me  
Because they know  
That I will shine  
And I will glow
