Music  
Makes me  
Lose  
Control  
Music  
Makes it  
Free

This song has not a name yet  
Can you looking for?

I need to find myself  
And wasn't sure in my head  
Of those illusions last night  
Indeed the truth is coming back to us

Cause music  
Makes us  
Lose  
Control  
Music  
Makes  
Free  
The world

You wanna be free and try to understand your place  
You wanna see things that our history put safe  
It's time to lie to you to lie to me  
To go outside and taking down

Are you ok? (laugh)

Open your mind dance with your soul  
Turn off the lights be your own god  
Open your time life all alone  
Open your eyes come on  
Everybody wants to loose control

I can't remember when or where you gotta come to me  
This is a little beat confussion welcome to eternity  
And touch my fire arms ice sights watch the new life

Party's just begining is your moment, take your faith  
We don't deserve reclusion but society's ok

I open my mind dance with my soul  
I turn off the lights and by me own god  
I open my time life all alone  
I open my eyes open your eyes  
Everybody wants you to loose control (laugh)

Open your mind dance with your soul  
Turn off the lights be your own god  
Open your time life all alone  
Open your eyes come on  
Everybody wants you
