I've interviewed, Leslie Howard  
I've interviewed, Noel Coward  
I've interviewed the great Stravinsky  
But my greatest achievement is the interview I had  
With the star who worked for Minsky

I met her at the Yankee Clipper  
And she didn't unzip one zipper  
I said, "Miss Lee, you are such an artist  
Tell me, why you never miss?"  
What do you think of? Why you worried, and she said  
"While I work my thoughts go something like this"

Zip, Walter Lippmann wasn't brilliant today  
Zip, will Saroyan ever write a great play?  
Zip, I was reading Schopenhauer last night  
Zip and I think that Schopenhauer was right

I don't want to see Zorina  
I don't want to meet Cobina  
Zip, I'm an intellectual

I don't like a deep Contralto  
Or a man whose voice is Alto  
Zip, I'm a heterosexual

Zip, it took intellect to master my art  
Zip, who the hell is Margie Hart?

Zip, Toscanini leads the greatest of bands  
Zip, Jergens Lotion does the trick for his hands  
Zip, Rip Van Winkle on the screen would be smart  
Zip, Tyrone Power will be cast in the part

I have read the great Cabala  
And I simply worship Allah  
Zip, I am just a mystic

I don't care for Whistler's mother  
Charlie's aunt or Schubert's brother  
Zip, I'm misogynistic

Zip, my intelligence is guiding my hand  
Zip, who the hell is Sally Rand?
