Carpenters

Close To You

I'll Never Fall In Love Again

(here to remind you, here to remind you,

Here to remind you, here to remind you)

What do you get when you fall in love

A girl with a pin to burst your bubble

That's what you get for all your trouble

I'll never fall in love again

I'll never fall in love again

What do you get when you kiss a guy

You get enough germs to catch pneumonia

After you do, he'll never phone you

I'll never fall in love again

I'll never fall in love again

Don't tell me what it's all about

'cause i've been there and i'm glad i'm out

Out of those chains, those chains that bind you

That is why i'm here to remind you

What do you get when you fall in love?

You only get lies and pain and sorrow

So far at least until tomorrow

I'll never fall in love again

I'll never fall in love again

Don't tell me what it's all about

'cause i've been there and i'm glad i'm out

Out of those chains, those chains that bind you

That is why i'm here to remind you

Here to remind you, here to remind you

Toh! here to remind you

What do you get when you fall in love

You only get lies and pain and sorrow

So, far at least until tomorrow

I'll never fall in love again

I'll never fall in love again
