"Midnite Town"

"Lets get the party tonite"
Untukmu sahabatku
Di kota ini
Penuh dengan aneka warna
Lampu disko yang berkerlip
Seiring hingar musik

"Midnite Town" pesta malam penuh whisky
Mengajak dirimu menari hingga lupa diri
"Midnite Town" tempat indah bagai mimpi
Akan bawa dirimu terbang tinggi

"Whiskey, wine until cola"
Semua bisa kau dapat di sini
Tapi awas engkau mabuk!
Gemerincing suara perak
Si gadis cantik tertawa renyah
Menambah hangat suasana

"Silver and gold everywhere but you can't take it"
"You just can dancing since you are flying away!"
"Silver and gold everywhere but you can't take it"
"You just can dancing since you are flying away!"
