"Going Going Gone"

I give myself some energy
I took it from the shelf
I'll make myself reanimate
And turn away
I can see the road I'm running on
It's dangerous from the start
Then my soul and my enemies were thrown away
What he doesn't know
I'm not going home
I'm not gonna stay this way again
What he doesn't know
I'm not going home for days
It took my soul from my canopy
I knew it from the start
With it myself and my energies were thrown away
I can see the road I started from
It's stable from the cause
Right then my start and my ending race were thrown
away
What he doesn't know
I'm not going home
I'm not gonna stay this way again
What he doesn't know
I'm not going home
I'm not gonna stay this way again
What he doesn't know about this way
And all this time I'm pacing for it
Out of order
And all this time I'm pacing
Really doesn't matter if you fight me
Fight me
What he doesn't know
I'm not going home
I'm not gonna stay this way again
What he doesn't know
I'm not going home
I'm not gonna stay this way again
What he doesn't know about this way
What he can't be tamed this way again
What he doesn't know about this way
Baby baby baby baby
(Incoherent singing and harmonizing)
