DETROIT CITY

WRITERS MEL TILLIS, DANNY DILL

I wanna go home I wanna go home oh how I wanna go home

Last night I went to sleep in Detroit City
And I dreamed about those cottonfields and home
I dreamed about my mother dear old papa sister and brother

I dreamed about that girl who's been waiting for so long

Homefolks think I'm big in Detroit City
From the letters that I write they think I'm fine
But by day I make the cars by night I make the bars
If only they could read between the lines
Cause you know I rode the freight train north to Detroit City

And after all these years I find I've just been wastin' my time

So I just think I'll take my foolish pride
And put on a Southbound freight and ride
And go on back to the loved ones I left waiting far behind

I wanna go home I wanna go home oh how I wanna go home
