Babysitter said 7  
She's 15 minutes late  
Jimmy's still playing in the bath  
Cold macaroni on his plate  
I still haven't done my hair  
I hate doing my hair  
It never comes out right  
I must have changed my clothes  
A half a dozen times  
Ended up in this little black dress  
Had to mend the hemline  
Now I can't find my shoes  
I can never find my shoes  
Man I hate this  
Am I nervous  
Am I scared  
Is it worth it  
Should I even care  
What a time to have these second thoughts  
Man I like this guy  
I really like him alot

(He's) everything that I was waiting for  
And all that I've been praying for  
Let be him be the dad, the friend, the man  
Let him cherish me for who I am  
Let him be the right one

Made it through dinner  
Had a little too much wine  
Probably talked too much  
Went on and on about that little boy of mine  
But he smiled  
Yeah he really smiled  
I can't believe he smiled  
What a perfect night this has been  
Should I say goodbye  
Should I let him in  
Calm down girl, it's just a kiss  
I know, I know but it's been so long since I felt like this

(He's) everything that I've been waiting for  
And all that I've been praying for  
Oh let him be the dad, the friend, the man  
Let him cherish me for who I am  
Let him be the right one  
Let him be the right one  
(He's) Everything that I've been waiting for  
And all that I've been praying for  
Let him be the right one  
Let him be the right one
