Words that pull the trigger
Fear the laughing sound
Haunts you/to consider
Love might turn you around
To face a blind emotion
Words like hey let's try
Words like/think it over
They just don't apply

Chorus:

I'm the Boy (You made me)
I'm the Boy/I'm the Boy
I'm the Boy (You made me)
I'm the Boy, I'm the Boy

Love is....
What you make it
Love the overflow
Play if you can take it/some
They just don't know
If all the rules they are making
Break somebody's heart
What's the use in taking
Babys fall apart

(chorus)
(You made me)

You made me realise
That love is just is just a word
That goes unheard in a situation
Where love is nothing
And you....
Are all I can see
This boy's in love with you
You're everything
I can see
This boy's in love with you
You have taken it all
Away from me

Words that pull the trigger
Fear the laughing sound
Haunts you/to consider
Love might turn you around
To face a blind emotion
Words like hey let's try
Words like/think it over
They just don't apply

(chorus)
