Words that pull the trigger
Fear the laughing sound
Haunts you
to consider
Love might turn you around
To face a blind emotion
Words like hey let's try
Words like thinking it over
They just don't apply
I'm the boy (you made me)
I'm the boy
I'm the boy
I'm the boy (you made me)
I'm the boy
I'm the boy
Love is...
What you make it
Love the overflow
Play if you can take it some...
They just don't know
If all the rules they're making
Break somebodys heart
Whats the use in taking
Babys fall apart
I'm the boy (you made me)
I'm the boy
I'm the boy
I'm the boy (you made me)
I'm the boy
I'm the boy
You made me realise
That love is just a word
That goes unheard in a situation
Where love is nothing
And you...
Are all I can see
this boys in love with you
You're everything
I can see
This boy's in love with you
You have taken it all

Away from me
