Desolate loving in your eyes
You used an' made my life so sweet
Step out like a god found child
I saw your eyes across the street

Who would be the fool to take you
Be more than just kind
Step into a life of maybe
Love is hard to find

In the church of the poison mind
In the church of the poison mind
In the church of the poison mind
In the church of the poison mind

Watch me clingling to the beat
I had to fight to make it mine
That religion you could sink in neat
Just move your feet an' you'll feel fine

Who would be the fool to maybe
Trick a kiss in time
Who am I to say that's crazy
Love will make you blind

In the church of the poison mind
In the church of the poison mind
In the church of the poison mind

Desolate loving in your eyes
You used an' made my life so sweet
Step out like a god found child
I saw your eyes across the street

Who would be the fool to take you
Be more than just kind
Step into a life of maybe
Love is hard to find

In the church of the poison mind
In the church of the poison mind

In the church of the poison mind
In the church of the poison mind
