Downtown we'll drown  
We're in our never splendor  
Flowers  
Showers  
Who's got the new boy gender

I'll be your baby  
I'll be your score  
I'll run the gun for you  
And so much more

Chorus:  
I'll tumble 4 ya  
I'll tumble 4 ya  
I'll tumble 4 ya  
I'll tumble 4 you

(chorus)

Uptown their sound  
Is like the native  
You send her  
Junction  
Function  
The boy with pop is slender

Did he say maybe  
Or I'm not sure  
He'll be a boy for you  
But you need more

(chorus x2)

I get a crazy feeling  
That chases in my head  
It's nothing that you do to me  
It's nothing that you said  
It's love in stereo  
And when I can't let go I say

I'll be your baby

I'll be your score  
I'll run the gun for you  
And so much more

(chorus)

Downtown we'll drown  
We're in our never splendor  
Flowers  
Showers  
Who's got the new boy gender

I'll be your baby  
I'll be your score  
I'll run the gun for you  
And so much more

I'll tumble 4 ya  
I'll tumble 4 ya  
I'll tumble 4 ya
