"Love Is Cold"

You were never no good (x4)

Oh no...

You say that love is wrong
'cause I know that love is strong
When you get it from some they say
That love is just thrown away
Did they ever love you my way

You were never no good (x4)

Oh no...

Someone is gonna pay
For taking my heart away
If it's love that you want to show
How am I supposed to know
In my way

You were never no good (x20)

And did you say that love is wrong
You should have stayed away from the strong
Did you really need to feel
That wicked emotion you steal
You don't understand
That you could no have love
In that superficial way
