(rap intro by derick johnson)

Dangerous lover
With the blue-green eyes
Slides into the room
He's got trouble on his mind

Maybe you're misunderstood
So come and lie here by my side
'cause your love it hurts so good
Every time, every time

Maybe I'm a fool for loving you
Maybe I'm a fool
Maybe I'm a fool for wanting you
Maybe I'm a fool

But love's so hard to find
I keep searching every time

Foolish words spoken
Forgotten in the night
When the sun meets the ocean
I wanna be here by your side

Let me give you all those things
That money just can't buy
'cause your love it hurts so good
Don't ask me why, don't ask me why

Maybe I'm a fool for loving you
Maybe I'm a fool
Maybe I'm a fool for wanting you
Maybe I'm a fool

Maybe I'm a fool, but I love you baby, baby...

(rap by derick johnson)
(I keep searching everytime)

Maybe I'm a fool

Maybe I'm a fool

Baby you're misunderstood
So come and lie here by my side
Cause your love it hurts so good
Don't ask me why, just don't ask me why

Maybe I'm a fool for loving you
Maybe I'm a fool, I'm a fool, I'm a fool, yeah
Maybe I'm a fool for wanting you
Maybe I'm a fool, I'm a fool for your loving

Right now

Love's so hard to find
I keep searching every time
All the time, all the time
Cause I can't live without you
Can't live without you

Maybe maybe baby I'm a fool for your loving (repeat
until end)
