Call me Mr. Raider call me Mr. Wrong

call me insane
call me Mr. Vain.
Call me what ya like
As long as you call me time and again
Feel the presence of the aura

Of the man none to compare
Loveless dying
For a just to touch a hand
Or a moment to share
Can't deny the urge that makes them
Want to lose themselves to the debonair one
Hold me back the simple fact is
That I'm all that and I'm always near

One sexy can't perplex me now
You know who's raw
As if you didn't didn't know before
I know what I want and I want it now
I want you then I want a little more.

Solo (Mr. Wrong - Mr. Wrong - Mr. Raider)
Girls are all over the world
They hope and pray and die for men
Like me cause I'm the one
Begotten son that breaks the mold
Get a look at male epitome
Style has never seen
That makes you want to grab and hold
And squeeze real tight
Whose gonna be the one to save
You from yourself
When you wanna take a bite
Please oh baby please
You beg you want to say
You got to get some caught
Up in the charm that I laid on thick
And now there's nowhere

To run on the hook of my line
Yeah I keep many females
Longing for a chance to win my heart
With sex and plenty
