Rap 1:

Call me spacko, call me mong, call me well thick, call
me a dick,
call me what you like, because I'm so lame, i won't do
shit,
laugh at me going up the road on my bike, i am so frail,
the problem is that my legs are weak, i go at the speed
of a snail
everywhere i go, people point and grin and stare and
laugh,
the reason for this is probably because im a nob, and i
look so daft,
when the people looke and stare, the colour changes in
my head,
it changes to the colour of my dad's nose - RED!

Call him Mr spacko, call him mr mong, call him Mr
Wayne!
(Gambo) UUUURRNNNNN!
Call him Mr spacko, call him Mr mong, call him insane!
(Gambo) UUUURRNNNNN!
he says I know what i want and I want it now, i want a
brain, cos I'm Mr Wayne
I know what i want and I want it now, i want a brain, cos
I'm Mr Wayne.

Mr spack!!!
Mr Mong!!!
Mr penis!!!
MOOOONG!

Rap 2:

People all over the world they hope and prey to god for
boys like me,
so I can move next door to them, and they can have a
laugh taking the pee,
laugh at me both at home and at school, at Gable Hall,
when I used to go there I got cained, so my mum
complained,
Mrs Reeves told my mum that sending me to Gable Hall
was out of orde,
but my mum said i should stay there cos i could work
the video recorder,
by the time i grow up and i reach a grand old age of
twenty,
i may have what i always lacked - a brain, a life, IQ and
plenty!

Call him Mr spacko, call him mr mong, call him Mr
Wayne!

(Gambo) UUUURRNNNNN!

Call him Mr spacko, call him Mr mong, call him insane!

(Gambo) UUUURRNNNNN!

I'm Mr Wayne.
