CHORUS:

Tell me that you'll wait

Tell me that you'll wait for me

I gotta come back some day so tell me that you'll wait
for me

I'm leaving on a jetplane

So tell me that you'll wait for me

RAP:

Once again we're facing a tough situation

No need to be bassing cause time we'll be wasting

We've been through this type of thing before

When I stepped to the ride and you stood crying in the
door□

I really hate moments that turn out like these

I'd sail the seven seas if I thought that I would ease

The discomfort we feel when we must part

There's not a man alive that wouldn't feel it in his heart

Living out a suitcase always on the move

I really appreciate the fact that you've always waited

And been ready and willing

Supporting what I'm doing and how I'm feeling

Travelling all over may keep the bills paid

But I couldn't stand myself if our love was to fade

Over and over I dwell on this issue

Cause when I'm away I can't help but miss you

CHORUS:

Tell me that you'll wait

Tell me that you'll wait for me

I gotta come back some day so tell me that you'll wait
for me

I'm leaving on a jetplane

So tell me that you'll wait for me

Tell me that you'll wait

Tell me that you'll wait for me

I gotta come back some day so tell me that you'll wait
for me

I'm leaving on a jetplane

So tell me that you'll wait for me

RAP:

Hold your tears you know I hate to see you cry

I get so choked up each time we say goodbye

My heart gets inflamed from all the pain

My head gets light and I don't feel the same
I try to stay cool and be strong for you
So you don't see all the hurt that I'm feeling too
I know you always tell me to just let go
But when the time arrives I find it hard to show

CHORUS:

Tell me that you'll wait
Tell me that you'll wait for me
I gotta come back some day so tell me that you'll wait
for me
I'm leaving on a jetplane
So tell me that you'll wait for me
Tell me that you'll wait
Tell me that you'll wait for me
I gotta come back some day so tell me that you'll wait
for me
I'm leaving on a jetplane
So tell me that you'll wait for me

RAP:

I know it's hard on you but one day things will change
When no longer in between us will there be much range
Though separated by miles our hearts remain close
I know I'm blessed each and everytime you give me a
dose of love
And show how much you care for your man
Cause in the past my relationships were just plain blend
Lacking in substance with not much meaning
But since the day I met you every day I'm singing

CHORUS:

Tell me that you'll wait
Tell me that you'll wait for me
I gotta come back some day so tell me that you'll wait
for me
I'm leaving on a jetplane
So tell me that you'll wait for me
Tell me that you'll wait
Tell me that you'll wait for me
I gotta come back some day so tell me that you'll wait
for me
I'm leaving on a jetplane
So tell me that you'll wait for me
