i think we have an emergency  
i think we have an emergency  
if you thought i'd leave  
then you were wrong  
cause i won't stop holding on  
so are you listening?  
so are you watching me?  
if you thought i'd leave  
then you were wrong  
cause i won't stop holding on  
this is an emergency  
so are you listening?  
and i can't pretend that i don't see this  
it's really not your fault  
when no one cares to talk about it  
(talk about it)  
cause i've seen love die way too many times  
when it deserved to be alive  
(when it deserved to be alive)  
i've seen you cry way to many times  
when you deserve to be alive

(alive)

so you give up every chance you get

to feel new again

i think we have an emergency

i think we have an emergency

and you do your best to show real love

but you don't know what love is

so are you listening?

so are you watching me?

well i can't pretend that i don't see this

it's really not your fault

when no one cares to talk about it

(talk about it)

cause i've seen love die way too many times

when it deserved to be alive

(deserved to be alive)

i've seen you cry way too many times when you  
deserve to be alive (alive alive)

soon as they die..fade away

(no one cares to talk about it)

(talk about it)

cause i've seen love die way too many times

when it deserved to be alive

(deserved to be alive)

i've seen you cry way too many times

when you deserve to be alive

(alive)
