Are you worth your weight in gold?
'Cause you're behind my eyelids when I'm all alone
Hey, stranger, I want you to catch me like a cold
You and I both got the guns
When you shoot I think I'm done

I lead the revolution in my bedroom
And I sat on this in between
We said no more wars,
no more clothes beneath me
Oh, kiss me

Hey! Hey!
We are a hurricane
Drop our anchors in a storm
Hey!
They will never be the same
Fighting a fire to keep us warm
'Cause they know, I know
That they don't look like me
Oh they know, I know
That they don't sound like me

You'll dance to anything
You'll dance to anything

Oh I confess, I confess to the rumor of us
But he didn't come and speak to me
Oh, put my heart at ease
And I believe that half the time
I am a wolf among the sheep
Now I got the wool over my eyes

I lead the revolution in my bedroom
And I sat on this in between
We said no more wars,
no more clothes beneath me
Oh, kiss me

Hey! Hey!
We are a hurricane
Drop our anchors in a storm

Hey!
They will never be the same
Fighting a fire to keep us warm
'Cause they know, I know
That they don't look like me
Oh they know, I know
That they don't sound like me

You'll dance to anything
You'll dance to anything
You'll dance to anything
You'll dance to anything

Fix me, or conflict me
I'll take anything
Fix me, or just conflict me
'Cause I'll take anything

Hey! Hey!
We are a hurricane
Drop our anchors in a storm
Hey!
They will never be the same
Fighting a fire to keep us warm
'Cause they know, I know
That they don't look like me
Oh they know, I know
That they don't sound like me

You'll dance to anything
You'll dance to anything
