Iâ€™m carving pumpkins
Itâ€™s almost Halloween
And all my friends are wondering
What theyâ€™re gonna be

The Monster Mash is playing
Youâ€™re moving to the beat
And now weâ€™re gonna teach you
To do the Trick-or-Treat

Everybody scream
Everybody scream
Itâ€™s almost Halloween
Do the Trick-or-Treat
Do the Trick-or-Treat
Itâ€™s almost Halloween
Everybody scream

Thereâ€™s a devil in the corner
In candy apple red
Dressed up like a fire
Burning through my head

I got a little closer
And offered her a drink
She took me to the grave yard
And we did the Trick-or-Treat

Everybody scream
Everybody scream

Itâ€™s only Halloween
Do the Trick-or-Treat
Do the Trick-or-Treat
Itâ€™s only Halloween
Everybody scream

Before I learned her name
We were already asleep
When I woke up in my coffin
She was nowhere to be seen

Was it all a dream?
Who could I believe?
It can't be what it seems
It was only Halloween
What does it all mean?

Everybody scream
Everybody scream
It was Halloween
Do the Trick-or-Treat
Do the Trick-or-Treat
It was only Halloween

Everybody scream
Everybody scream
It was Halloween
Do the Trick-or-Treat
Do the Trick-or-Treat
It was only Halloween
Everybody scream
