I'm a disappearing act done poorly  
But if I ever get it right you'll miss me, sorely  
Look like the cat that just ate the canary  
Coughing up feathers  
There's a get out of jail card if I can think of something  
clever  
I plead the fifth on all of this

When your chips are down  
And your drinks are all gone  
I'll still be here  
Wishing and waiting for you to come home  
Kaleidoscope eyes  
Sparkle at the world  
My emerald city, downtown girl  
In the sickness of you  
I'm just a white blood cell  
Fighting like hell for you

Oh, I'm just a crook  
With no intent or stash  
Pour gasoline on the vault just to burn the cash  
I swear to God  
I'd never heard a better sound coming out  
Than when you're whimpering my name from your  
mouth  
I plead the fifth on all of this

When your chips are down  
And your drinks are all gone  
I'll still be here  
Wishing and waiting for you to come home  
Kaleidoscope eyes  
Sparkle at the world  
My emerald city, downtown girl  
In the sickness of you  
I'm just a white blood cell  
Fighting like hell for you

I've got an insatiable desire for your insides  
It's undeniable, I'll conspire to pull against your body  
tonight

When your chips are down  
And your drinks are all gone  
I'll still be here  
Wishing and waiting for you to come home  
Kaleidoscope eyes  
Sparkle at the world  
My emerald city, downtown girl  
In the sickness of you  
I'm just a white blood cell  
Fighting like hell for you
