Is it still me that makes you sweat?  
Am I who you think about in bed?  
When the lights are dim and your hands are shaking  
as you're sliding off your dress?  
Then think of what you did  
And how I hope to God he was worth it.  
When the lights are dim and your heart is racing  
as you're fingers touch your skin.

I've got more wit, a better kiss, a hotter touch, a better  
fuck  
Than any boy you'll ever meet, sweetie you had me  
Girl I was it look past the sweat, a better love deserving  
of  
Exchanging body heat in the passenger seat?  
No, no, no you know it will always just be me

Let's get these teen hearts beating. Faster, faster  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close?  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close?

So I guess we're back to us, oh cameraman, swing the  
focus  
In case I lost my train of thought, where was it that we  
last left off?  
(Let's pick up, pick up)

Oh now I do recall, we just were getting to the part  
Where the shock sets in,  
and the stomach acid finds a new way to make you get  
sick.  
I hope you didn't expect that you'd get all of the  
attention.  
Now let's not get selfish  
Did you really think I'd let you kill this chorus?

Let's get these teen hearts beating. Faster, faster  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close?

So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close?

Dance to this beat  
Dance to this beat  
Dance to this beat

Let's get these teen hearts beating. Faster, faster
