Is it still me that makes you sweat  
Am I who you think about in bed  
When the lights are dim and your hands are shaking as  
you're sliding off your dress  
Then think of what you did  
And I hope to God he was worth it  
When the lights are dim and your heart is racing as  
your fingers touch your skin  
I've got more wit, a better kiss, a hotter touch, a better  
fuck  
Than any boy you'll ever meet, sweetie you had me  
Girl I was it look past the sweat, a better love deserving  
of  
Exchanging body heat in the passenger seat  
No, no, no you know it will always just be, me

Let's get these teen hearts beating, faster, faster  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close

So I guess we're back to us, oh cameraman, swing the  
focus  
In case I lost my train of thought, where was it that we  
last left off  
(Let's pick up, pick up)

Oh now I do recall, we just were getting to the part  
Where the shock sets in, and the stomach acid finds a  
new way to make you get sick  
I hope you didn't expect that you'd get all of the  
attention  
Now let's not get selfish  
Did you really think I

Let's get these teen hearts beating, faster, faster  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close  
So testosterone boys and harlequin girls  
Will you dance to this beat, and hold a lover close

Dance to this beat  
Dance to this beat  
Dance to this beat

Let's get these teen hearts beating, faster, faster

Will you dance to this beat, and hold a lover close

So testosterone boys and harlequin girls  
Dance to this beat  
So testosterone boys and harlequin girls  
Dance to this bit  
And hold a lover close  
Let's get these teen hearts beating, faster, faster  
Let's get these teen hearts beating, faster
