Is it still me that makes you sweat?
Am I who you think about in bed?
When the lights are dim and your hands are shaking as
you're sliding off your dress?
Then think of what you did
And how I hope to God he was worth it.
When the lights are dim and your heart is racing as
your fingers touch your skin.
I've got more wit, a better kiss, a hotter touch, a better
fuck
Than any boy you'll ever meet, sweetie you had me
Girl I was it, look past the sweat, a better love
deserving of
Exchanging body heat in the passenger seat?
No, no, no, you know it will always just be me

Let's get these teen hearts beating. Faster, faster
So testosterone boys and harlequin girls,
Will you dance to this beat, and hold a lover close?
So testosterone boys and harlequin girls,
Will you dance to this beat, and hold a lover close?

So I guess we're back to us, oh cameraman, swing the
focus
In case I lost my train of thought, where was it that we
last left off?
(Let's pick up, pick up)

Oh now I do recall, we were just getting to the part
Where the shock sets in, and the stomach acid finds a
new way to make you get sick.
I hope you didn't expect that you'd get all of the
attention.
Now let's not get selfish
Did you really think I'd let you kill this chorus?

Let's get these teen hearts beating. Faster, faster
So testosterone boys and harlequin girls,
Will you dance to this beat, and hold a lover close?

So testosterone boys and harlequin girls,
Will you dance to this beat, and hold a lover close?

Dance to this beat
Dance to this beat
Dance to this beat

Let's get these teen hearts beating. Faster, faster
