there's a fire starting in my heart
reaching a fever pitch, and it's bringing me out the
dark
finally i can see you crystal clear
go ahead and sell me out and i'll lay your ship bare
see how i'll leave with every piece of you
don't underestimate the things that i will do

there's a fire starting in my heart
reaching a fever pitch
and it's bringing me out the dark

the scars of your love remind me of us
they keep me thinking that we almost had it all
the scars of your love, they leave me breathless
i can't help feeling
we could have had it all
rolling in the deep
you had my heart inside of your hand
but you played it to the beat

baby, i have no story to be told
but i've heard one of you
and i'm gonna make your head burn
think of me in the depths of your despair
making a home down there
as mine sure won't be shared

the scars of your love remind me of us
they keep me thinking that we almost had it all
the scars of your love, they leave me breathless
i can't help feeling
we could have had it all
rolling in the deep
you had my heart inside of your hand
and you played it to the beat

we could have had it all
rolling in the deep
you had my heart inside of your hand
but you played it
you played it

you played it
you played it to the beat
